Dear Dr. Shorey

Kindly refer to your communiqué dated 2nd June 2010 seeking DIT's support (without any financial assistance) and participation in organizing the ACM SIGCOM 2010 during August 30 to September 2010 at hotel Le Meridien, New Delhi.

I am happy to convey DIT's acceptance in supporting the ACM SIGCOM 2010 event. The Department has no objection to the use of DIT's logo on the Conference Website.

In regard to extending support towards seeking MEA's visa facilitation for overseas attendees. It is requested that you may kindly send a list of panelist/speakers/delegates etc. along with details about their visa requirements, country of origin, etc in order to take up the matter with MEA.

It is further requested that the detailed final programme may kindly be forward to us in advance to enable a high level participation from DIT in ACM SIGCOM 2010.

With regards,

Yours sincerely,
Tulika Pandey
