WIFI Connection:

Hong Kong International Airport

Stay connected at Hong Kong International Airport (HKIA) before boarding your flight! With your Wi-Fi enabled device, you can enjoy free wireless Internet access at most seating and public areas in the passenger terminals. No registration is required.

Please follow the steps below to get connected:

1. Disable data service (eg. GPRS or 3G) to avoid roaming service fee
2. Select "#HKAirport Free WiFi" as your connection network (SSID)
3. Launch the internet browser and enter any valid website address
4. Click "Accept & Continue" after reading all terms and conditions
5. Enjoy the free Wi-Fi service
6. Disconnect your device from the Wi-Fi network after use

CUHK campus

WIFI service is available for SIGCOMM2013's participant in CUHK campus.

You may follow the step to access it:

1. Enable the Wi-Fi of your device
2. Find the network SSID = CU guest
3. Open the web browser and visit any site
4. Enter the User ID: sigcomm13
5. Enter the password: welcome2cuhk

MTR

Passengers can enjoy free Wi-Fi service with personal computers or handsets within iCentre. (in each station) 15 minutes per session. Each eligible device is limited to 5 sessions per day.

1. Make sure Wi-Fi setting is on, then select MTR Free Wi-Fi
2. Confirm and browse
3. Return to main screen. Turn on browser.
4. Press "accept" after reading terms of service.
5. You are now connected to the Internet.
6. Please open a new window to browse.
